Dear Dad,

How are you doing? Is it cold in Germany? It's cool in Taiwan now. I really like the weather here.

I am busy but happy now. The Brown family is kind to me. From Monday to Friday, I go to school with Audrey and Ted. At school, I learn a lot of things about Taiwan. I have twenty hours of class a week. My classmates are all very helpful; they teach me Chinese and share yummy food with me. I like my time to be with my new friends. I can learn a lot of things from them. After school, I swim with Audrey on Wednesdays and play baseball with Ted on Thursdays. At dinner time, I eat dinner with the Brown family. Mr. Brown is a good cook. I like fish soup very much. On weekends, we fly a kite and ride a bike in the park or go to the museums. We always have a good time!

When are you going to visit Taiwan? I can't wait to see you! Take care!

Yours,

Amy
