Almost everyone knows Pizza is an Italian (義大利的) food, but not many people know that the most classic pizza is Margherita (瑪格麗特) pizza. It's the mother of all pizzas!

Margherita pizza was made in Naples (拿坡里) for a visit of Queen Margherita. Nowadays (如今), people still use red tomatoes, white cheese, and green basil to make Margherita Pizza. The colors of the pizza are the colors of the Italian flag. The three colors from left to right represent the green hills, the snowy mountains, and the blood in the wars.

If you are a pizza lover, you can try to make it yourself. It's very easy to make Margherita pizza at home. You only need a pizza crust, tomatoes, cheese, basil, oil, and salt. First of all, mix oil (two tablespoons are enough), a little salt, and eight slices of tomato. Put the mix on the pizza crust, and then add basil and cheese. Last, bake the pizza for seven to ten minutes, and then get ready for a hot and yummy Margherita pizza!
