Every year, my family take a trip to a different country. This year, we decided to visit the USA. We got to New York City yesterday, January 23rd. After we checked in at the hotel, we went to Times Square. There are many theaters in and around Times Square, and we saw a musical, *The Lion King*, there. Then we rode bicycles to the Brooklyn Bridge. On the way there, we enjoyed many beautiful sights. I will always remember them even in the future.

Tomorrow, we are going to have a museum day. In the morning, we will visit the Met. There are many wonderful works of art there, and I really want to see Monet's and Picasso's paintings. In the afternoon, we will go to the American Museum of Natural History. It was the setting for the successful movie, *Night at the Museum*. Maybe my legs will feel sore after I walk around these places all day, but I will learn a lot for sure.
